Functional Testing Checklist for Computer Printer	Pass	Fail
Operational		

Table 12. Functional Testing Checklist

ii. The rating system that will be involved in the Acceptance Test will be passed or failed only.

iii. The acceptance test shall be composed of 100% visual inspection and 100% functional tests.

A. Completeness and Visual Inspection (100%)

Particulars	Qty	Unit	Pass/Fail
Computer Printer	150	pcs	

B. Functional Test (100%)

Particulars	Qty	Unit	Pass/Fail
Computer Printer	150	pcs	

iv. In case one requirement is missing during the visual inspection, the supplier shall be given fifteen (15) calendar days to complete the requirements, otherwise, the Philippine Army Technical Inspection and Acceptance Committee (PA TIAC) shall decline the acceptance of the Goods and Services being delivered and thereafter shall inform the BAC in writing of the non-acceptance including the specific reasons for the same.

	<p>v. In case of failure of any Goods during functional tests, the supplier shall be given fifteen (15) calendar days for correction. This however does not relieve the supplier of the required period of completion of the project as contained in the schedule of requirements.</p> <p>vi. The two (2) calendar year warranty period for the Goods shall only take effect upon final acceptance by PA TIAC.</p> <p>vii. Failure to comply on this procedure shall entitle the PROCURING ENTITY to reject the whole quantity during the Final Acceptance by PA TIAC.</p> <p>viii. In case one requirement is missing during the visual inspection, the supplier shall be given fifteen (15) calendar days to complete the requirements, otherwise, the Philippine Army Technical Inspection and Acceptance Committee (PA TIAC) shall decline the acceptance of the Goods and Services being delivered and thereafter shall inform the BAC in writing of the non-acceptance including the specific reasons for the same.</p> <p>ix. In case of failure of any Goods during functional tests, the supplier shall be given fifteen (15) calendar days for correction. This however does not relieve the supplier of the required period of completion of the project as contained in the schedule of requirements.</p> <p>x. Failure to comply on this procedure shall entitle the PROCURING ENTITY to reject the whole quantity during the Final Acceptance by PA TIAC.</p>
