# PHILIPPINE ARMY NOTES TO CONSOLIDATED FINANCIAL STATEMENTS <br> For the Year Ended December 31, 2017 

## 1. General Information/Agency Profile

The consolidated financial statements of the Philippine Army were authorized for issue on April 23, 2018 as shown in the Statement of Management Responsibility for Financial Statements signed by Lieutenant General Rolando Joselito D Bautista, Commanding General of the Philippine Army.

The Philippine Army was first established on 22 March 1897 during the first meeting at Tejeros, Cavite. Currently, the Philippine Army operates under the authorities of Executive Order 292, s. 1987 "Instituting the Administrative Code of 1987". As embodied in EO 292, the Philippine Army shall be responsible for the conduct of operations on land, in coordination with the other Major Services. Section 49 of the same EO enumerates the functions of the Army as follows: (1) organize, train and equip forces for the conduct of prompt and sustained operations on land; (2) prepare such units as may be necessary for the effective prosecution of the national defense plans and programs; (3) develop, in coordination with the other Major Services, tactics, techniques and equipment of interest to the Army for field operations; (4) organize, train and equip all reserve units; and (5) perform such functions as may be provided by law or assigned by higher authorities. The following are the program objectives by mission areas to be performed by the Army: Territorial Defense, Security and Stability (TDSS) and Force-Level Command and Control, Support and Training (FLC2ST).

The Philippine Army Major Units (PAMUs) with their corresponding servicing FAUs are as follows:

## 2. Statement of Compliance and Basis of Preparation of Financial Statements

The consolidated financial statements have been prepared in accordance with and comply with the Philippine Public Sector Accounting Standards (PPSAS) issued by the Commission on Audit per COA Resolution No. 2014-003 dated January 24, 2014.

The consolidated financial statements have been prepared on the basis of historical cost, unless stated otherwise. The Statement of Cash Flows is prepared using the direct method.

## 3. Summary of Significant Accounting Policies

### 3.1 Basis of accounting

The consolidated financial statements are prepared on an accrual basis in accordance with the Philippine Public Sector Accounting Standards (PPSAS).

### 3.2 Consolidation

The consolidated financial statements reflect the assets, liabilities, revenues, and expenses of the Headquarters and 28 PA major units.

### 3.3 Cash and cash equivalents

Cash and cash equivalents comprise of cash in bank and treasury deposits.

### 3.4 Inventories

Inventory is measured at cost and recognized as an expense when utilized or consumed.

### 3.5 Property, Plant and Equipment

## Recognition

The PPE consists of tangible items that are held for operations or for administrative purposes and are expected to be used during more than one reporting period measured at cost upon recognition.

## Depreciation Method

The straight line method of depreciation is adopted and a residual value equivalent to at least five percent of the cost of the PPE is used.

### 3.6 Changes in Accounting Policies and Estimates

The Philippine Army recognizes the effects of changes in accounting policy retrospectively and recognizes the effects of changes in accounting estimates prospectively by including in surplus or deficit.

The Philippine Army corrects material prior period errors retrospectively in the first set of financial statements authorized for issue after their discovery by:

- Restating the comparative amounts for prior period(s) presented in which the error occurred; or
- If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

## 4. Adjustments on Accumulated Surplus

Fundamental errors of prior years are corrected by adjusting directly the Accumulated Surplus/ (Deficit) account. Errors affecting current year's operations are charged to the current year's accounts.

## 27. Disclosure of Budgetary Basis, Period and Scope

The Consolidated Statement of Comparison of Budget and Actual Amount (SCBAA) was prepared on a cash basis and is published in the government website. The SCBAA was presented showing the original and final budget as compared to actual amounts. The final budget includes all changes approved by legislative actions or other designated authority to revise the original budget.
