							issues on unliquidated cash advances; and impairment/collectability of receivables.		
CAA R CY 2016 pages 74-77	38. Prior years' bills of tenants for light and water totaling ₱7,133,248.13 remained uncollected and not reflected in the accounts. Operations	38.a ONAF to demand from tenants immediate payment of their accounts; and/or initiate appropriate actions to enforce settlement.		HPA (ONAF)			Not Implemented	Policy review is ongoing focusing on application of punitive actions that are just to both agency and the tenants.	Demand Letters were sent to erring tenants. Policy review is focusing on application of punitive actions that are just to both agency and tenants. ONAF- the Group has been aggressively in the collection for the light, water unpaid accounts of military residences including the rentals and utilities bill of business establishment within 103 HPA retention area. Concerned establishments and residents were issued disconnection and eviction notices if failure to pay accounts on time. Thus, accumulated balances from the previous years' bills of tenant totaling 7,133,248.13 was reduced to 1,287,404.69 as per collection report dtd 31 July 2019, intended payment covering the beginning balances to June 2019. However, the aforementioned beginning balances is going to increase when the current balance of light, water and rentals bills for the month of July 2019 is added.
